

Zoom Virtual Webinar

LUNCH & LEARN

2nd Tuesday of each month

12pm - 1pm EST

KY-SPIN provides training, information, and valuable resources to individuals with disabilities, their families and professionals.

Schedule & Topics

April 8, 2025 Understanding Early Periodic Screening and Treatment (EPSDT) Services presented by Justin Shaw, Branch Manager, Maternal and Child Health Branch

This webinar will cover the essentials of EPSDT, a comprehensive service designed to ensure that children receive the necessary screenings, diagnoses, and treatment services to stay healthy. Whether you're a parent, caregiver, or professional, this webinar will provide valuable insights into how EPSDT services can help maximize care during critical developmental years.

May 13, 2025 Identifying Mental Health Needs for Your Student

Understanding and addressing your student's mental health is crucial for their success and well-being. This webinar will provide valuable insights for both caregivers and professionals on how to recognize signs of mental health challenges, navigate available resources, and offer the right support. Whether you're a parent or educator, this session will help you better understand how to identify and respond to your student's mental health needs in school.

June 10, 2025 Activities of Daily Living (ADLs)

Join us for an insightful presentation on teaching Activities of Daily Living (ADLs) to children with disabilities! Learn practical strategies to support skill-building, overcome executive function challenges, and foster self-advocacy at every stage of development. Whether you're an educator, therapist, or caregiver, this session will provide valuable tools to help children gain independence in ways that are meaningful to them.
