# Let's Find What We Have in Common!

This fun activity helps us learn that we have things in common with everyone!

1. **Think About What You Like** - What's your favorite food? What games do you like to play?
2. **Meet a New Friend** - At the park or school, approach someone new with a smile and say, "Hi! I'm \_\_\_\_\_. What's your name?"
3. **Find Something the Same, Talk about what you both like** - Do you both love pizza? Do you both enjoy music?
4. **Talk About It** - Share with others what you learned and how you are alike in different ways.
5. **Draw or Write** - Show what you learned by making a picture or writing a few words below.

A large, empty white rounded rectangle with a drop shadow, intended for drawing or writing.

Everyone is special, and we can all be good friends!
